SUNY Cobleskill Today

Veteran's Courtyard

SUNY Cobleskill is recognized as a military friendly school.

Completed in 2012, the Veteran's Courtyard honors our veterans both past and present.

SUNY Cobleskill Today

Wheeler Hall addition-Observatory

Students can gain practical hands on experience studying astronomy in the new observatory located in the Wheeler Hall addition.

SUNY Cobleskill Today

Old Quad- Frisbie

One hundred and one year old Frisbie Hall is the oldest structure on campus.

The building contains classrooms, faculty offices and a large music room on the second floor. The building was renovated in 2009-2010.

SUNY Cobleskill Today

Old Quad- Alumni Hall

SUNY Cobleskill is looking to renovate and preserve the original four buildings on campus. Alumni Hall is one of those four buildings, originally named Dairy Science Building.

SUNY Cobleskill Today

Old Quad- Old Gym

Originally housing the College's gymnasium, this 83-year old building currently contains graphic design classrooms, fine art studio spaces and faculty offices on the basement and first floor levels.

The John Grosvenor Gallery, the site of regular campus art exhibitions, is located on the second floor along with several art classrooms.

SUNY Cobleskill Today

Old Quad- Home Economics

Following the construction and opening of the new Agriculture and Natural Sciences Center, Home Economics is now vacant.

The College intends to renovate the building as part of the rehabilitation of the Upper Quad.

Renovation Plans Home Economics

Goodbye Ryder Hall

Old Quad- Ryder Hall

This former 3-story dorm was demolished last summer due to many structural problems. It now has been reclaimed as greenspace.

SUNY Cobleskill Today

International and Native American tribe flags line the center of campus representing our students from around the world.

SUNY Cobleskill Today

Child Care Center

The Cobleskill Campus Child Care Center is a facility designed to enhance the physical, intellectual, social, and emotional development of young children.

SUNY Cobleskill Today

Dairy Barn

The 200-cow dairy facility boasts an award winning herd along with cutting-edge waste management technology.

SUNY Cobleskill Today

Equestrian Center

The Equestrian Center, opened in fall 2005, includes a 34,000-square foot indoor arena, breeding and training facilities, and room to board over 70 horses.

SUNY Cobleskill Today

CEST Building

The CEST building provides students with the skills and experiences needed for:

- Environmental actions and careers
- Generating knowledge that will help sustain a healthy environment
- Making positive environmental changes to our community and campus

SUNY Cobleskill Today

Center of Agriculture and Natural Resources

Integrates the three major academic programs of Plant Sciences, Fisheries & Wildlife, and Animal Sciences within a single facility.

SUNY Cobleskill Today

Solar Panels
