January 2019

The January workshops will be included in the January Professional Development schedule.

<u>Workshop</u>	<u>Description</u>
Weave and Assessment Refresher Friday, January 11 9:00 to 10:00am <i>Location TBD (computer lab)</i>	What is assessment? What is Weave and how do you use it? Are you new to doing assessment or has it been a while since you conducted assessment? Attend this workshop for an overview of assessment and Weave.
Assessment Work Session Tuesday, January 15 9:00am to 10:00am <i>Location TBD (computer lab)</i>	Dedicated time to work on your assessment in Weave with one-on-one assistance available from the Institutional Assessment committee. <u>Please plan attending this session if you have not closed-out your 2017-2018 assessment or began your 2018-2019 assessment.</u> The <u>deadline</u> to close your 2017-2018 assessment cycle in Weave is <u>January 11, 2019</u> . The <u>deadline</u> to have a draft of your 2018-2019 assessment plan completed is <u>February 15, 2019</u> . This session will take place in a computer lab. Have your measurement data available to you during the session so you can complete your assessment Findings and Action Plans for 2017-2018. Once you have completed your 2017-2018 assessment cycle, you will need to roll your assessment plan into 2018-2019.
Assessment Best Practices Panel Discussion Thursday, January 17 2:00 to 3:00pm <i>Location TBD (not computer lab)</i>	Have you wondered how academic programs and offices have utilized assessment at SUNY Cobleskill? A panel of faculty and staff will discuss how they have developed their academic program's and/or department's assessment and how they have used that assessment to track their educational, operational, and/or fiscal efforts.
