Click here to register: <https://www.signupgenius.com/go/20f0a4baea922aafa7-assessment2> . Walk-ins are welcome to the Assessment Work Sessions.

<u>Workshop</u>	<u>Description</u>
<p>Assessment Workshop for Faculty</p> <p>Friday, May 17 11:00am to 12:00pm (following the Curriculum Mapping presentation) Warner 117</p>	<p><i>This workshop will focus on the assessment of academic programs and it will include a refresher on assessment and the Weave software</i></p>
<p>Assessment Workshop for Staff</p> <p>Thursday, May 23 2:00 to 3:00pm Warner 110</p>	<p><i>This workshop will focus on the assessment of services, extracurricular education, offices and operational areas. It will also include a refresher on assessment and the Weave software.</i></p>
<p>Assessment Work Session</p> <p>Wednesday, May 29 10:00 to 11:00am Warner 019</p>	<p><i>This is dedicated time to work on your assessment in Weave with assistance available from the Institutional Assessment committee. Walk-ins are welcome. This session will take place in a computer lab.</i></p> <p><i>This is an excellent opportunity to begin closing out the 2018-2019 assessment cycle. Once you're finished closing out the 2018-2019 cycle , you can begin the 2019-2020 cycle, so it is ready before classes start in August. If you have not closed out your 2017-2018 assessment cycle, please plan on attending the Assessment Work Sessions on 5/29 or 6/3 as it is overdue.</i></p>
<p>Assessment Work Session</p> <p>Monday, June 3 10:00am to 12:00pm Warner 018</p>	<p><i>Have your measurement data available to you during the session so you can complete your assessment findings and action plans to close out the assessment cycle.</i></p>

Reminder: If your Measurement data is finished being collected for this year's assessment cycle, closeout this year's assessment cycle and move to new cycle.
