

## RECM 450 Bachelor Degree Internship Program Student Learning Outcomes & Objectives and Activities

### **Internship Student Learning Outcomes RECM 450:**

- Demonstrate/develop competency in applied mathematics.
- Demonstrate competency in written and oral communications.
- Demonstrate/develop leadership ability by supervising assigned tasks and projects.
- Demonstrate self-direction and initiative in performing assigned duties.
- Demonstrate/develop strong work ethic by working additional time or outside typical working hours as needed.

### **Internship Objectives and Activities:**

List objectives of the internship and specific activities to be completed. Indicate approximate amount of time to be devoted to each activity. Be as specific as possible. (The Faculty Supervisor will provide guidance in initial preparation of this section with input from the Site Supervisor. Please do not submit this document until everyone is in agreement to the details below.)
