The remaining 16 credits can be additional HVCC courses either transferred into Cobleskill, x-registered courses or online Cobleskill courses. By adding these additional courses, students can maintain their full-time status.

The BBA in Business Administration degree completion program is based on a cohort model which is a group of students who move through classes and phases of the program together. This program was created in a two-year full-time sequence of courses as prescribed above. Should a student deviate from the cohort's program sequence, the student may no longer be considered part of the cohort and SUNY Cobleskill is not obligated to offer the courses in a face-to-face format.

Student's Commitment: I have reviewed my Academic Plan. I understand it is my responsibility to follow the above sequence and that if I deviate from this sequence, it will be my responsibility to find an acceptable alternative for meeting my program requirements.
