

NETHERLANDS

HAS Green Academy

February - July

12 - 15 Undergraduate Credits

HAS Green Academy is an award-winning university that has been named "Best University of Applied Sciences of the Netherlands" by the Dutch information and analytics company Elsevier. It is acclaimed for providing quality, hands-on education in Business Management in Agriculture, Horticulture & Business Management, International Food & Agribusiness, and additional programs in horticulture and environmental innovation. Campuses are located in 's-Hertogenbosch and Venlo.

This semester-long exchange program runs in two 10-week sessions, offering upper-level technical electives in Business and Agribusiness Management.
