**Parent Authorization to Use Title IV Financial Aid to Pay Non-Institutional Charges**

Federal financial aid is for "institutional charges", such as tuition and fees, campus room and meals and course related fees. Unless authorization is received, federal financial aid cannot be used to cover non-institutional charges such as: **books and supplies, payment plan, returned check and late fees, parking and library fines.**

With my signed authorization SUNY Cobleskill can apply my federal financial aid to non-institutional charges. If you agree your signed authorization will remain in effect until you submit a written request to cancel it.

I do not authorize SUNY Cobleskill to pay non-institutional charges with federal financial aid, the student is ultimately responsible for payment of those charges. SUNY Cobleskill will bill the student, holds and appropriate late fees will apply.
