According to federal regulations schools will no longer be able to accept photocopies of tax returns. The best way to verify income is by using the **IRS Data Retrieval Tool** when completing or updating your FAFSA on the web. If you do not use this method when completing or updating your FAFSA you must submit a **2015 IRS Tax Return Transcript**. To request an IRS Tax Return Transcript visit www.irs.gov and use Form 4506-T, or go to the "Tools" section on their website and click on "Get A Tax Transcript", or call 800-908-9946. Be sure to only request a Tax **Return** Transcript, NOT an Account Transcript. After using the IRS Data Retrieval tool students are advised to *not* make any changes to either parent(s)/student's income information on their FAFSA. Please contact the Financial Aid Office if you have had a change in income that is not reflected on your FAFSA.
