

**Transfer Articulation Agreement
Between
STATE UNIVERSITY OF NEW YORK AT COBLESKILL
and
FINGER LAKES COMMUNITY COLLEGE**

November 2017

This agreement establishes procedures to promote the easy transition of qualified Environmental Studies Associate in Science (AS) degree graduates from Finger Lakes Community College (FLCC) to the Bachelor of Technology (BT) degree programs in Environmental Management at the State University of New York at Cobleskill (SUNY Cobleskill).

Objectives of the Agreement

1. To provide a transfer path to qualified FLCC graduates who want to enhance their education and careers by pursuing a bachelor degree.
2. To assist academic advisors with pertinent academic information for students who wish to continue their education in an upper-division program.
3. To attract qualified students to FLCC and SUNY Cobleskill.
4. To facilitate communication and academic coordination between faculty and administrators at each institution regarding curriculum and the transferability of the courses.

Terms of the Agreement

1. Students from FLCC, who complete an AS degree in Environmental Studies and the courses outlined in the Addendum, with a minimum 2.25 cumulative grade point average, will be guaranteed admission to the Environmental Management BT degree programs at SUNY Cobleskill.
2. Transfer students must complete and file the SUNY Admissions Application indicating transfer to SUNY Cobleskill prior to November 1 for spring semester entry, and prior to May 1 for fall semester entry.
3. Students who do not meet the requirements of this agreement will also be considered for admission. They will be evaluated on an individual basis.

Review and Revision of the Agreement

This agreement will be reviewed when substantial changes are made in the curriculum on either campus. At the request of either party, a review of the Transfer Articulation Agreement will be conducted by both institutions.

Termination

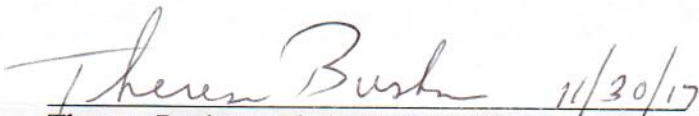

This agreement shall remain in force from November 2017, on which it is signed, until such time as either institution elects to terminate it. Termination by either institution will be announced with sufficient anticipation to assure any students enrolled the opportunity to be admitted to SUNY Cobleskill under its terms.

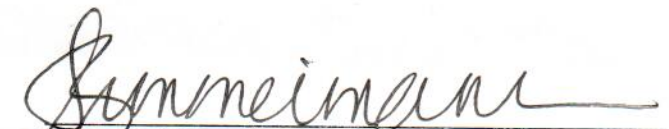

Effective Date and Signatures

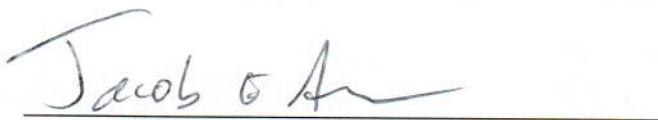

This agreement will become effective November 2017, upon acceptance of Agreement with appropriate signatures.
