

1+1 Transfer Agreement
 between
STATE UNIVERSITY OF NEW YORK
COLLEGE OF AGRICULTURE AND TECHNOLOGY AT COBLESKILL
 and
ROCKLAND COMMUNITY COLLEGE

June 2022

This agreement establishes procedures to promote the easy transition of students from Rockland Community College (RCC) to the Histotechnician Associate in Applied Science degree program at the State University of New York College of Agriculture and Technology at Cobleskill (SUNY Cobleskill).

Terms of the Agreement

Students from Rockland Community College who complete the prerequisites as specified below, with a minimum overall grade point average of 2.25 for the first year of study, will be guaranteed acceptance to SUNY Cobleskill as a second year student. If the class is full, the student will be given the highest priority for the next year.

This provides an opportunity to complete the Histotechnician Associate in Applied Science degree in one year of academic work including a 400-hour summer clinical rotation at an approved clinical affiliate site.

Students will complete and file the SUNY Admissions Application indicating transfer to SUNY Cobleskill's Histotechnician AAS degree, using code 2083, prior to April 15th for fall semester entry. Students must earn a grade of C- or better in all required prerequisite courses and maintain a C grade or better in all Major Field (* designation) courses.

Review and Revision of the Agreement

This joint agreement will be reviewed when substantial changes are made in the curriculum on either campus. At the request of either party, a review of the 1+1 Transfer Agreement will be conducted by both institutions.

Termination

This agreement shall remain in force from the date on which it is signed, in June 2022, until such time as either institution elects to terminate it. Termination by either institution will be announced with sufficient anticipation to assure any students enrolled the opportunity to be admitted to SUNY Cobleskill under its terms.

Effective Date and Signatures

This agreement will become effective June 2022, upon acceptance of Agreement with appropriate signatures.
