- 2** – Give your token to the cashier and take away your meal in your reusable container.
- 3** – Return your cleaned-out container to the counter when you get your next take-out meal OR insert it in the OZZI machine (Champlin Atrium) for a token that can be redeemed for another reusable container.
- 4** – There will be a \$5 fee if you forgot or lose your container or token and would like your meal to-go. Don't worry, you can order your food to-stay if you do not want a reusable container.
