

THE CAN CHRONICLE

DON'T BE IN A RUSH TO FLUSH...HERE'S SOME NEWS YOU CAN USE

Medicat Special Edition

Co-Editors Shannan Breault and Cheryl Perog

Schedule your own Medical Appointment

Did you know that you can make your own **NON-EMERGENCY MEDICAL APPOINTMENTS** through the Patient Portal? If it's 10pm and you have a sore throat and want to make an appointment for the next day, **YOU CAN** in the privacy of your own room!!!! Just go to:

<http://patient-cobleskill.medicatconnect.com> and click on "Appointment.". Next, choose the type of appointment you need and then select the provider you wish to see. Then you will have the freedom to choose the time that is most convenient for you! In addition, if you find that you no longer need the appointment, you can cancel it through the same process. How convenient is that?!?

Transferring to another college? Need a copy of your Immunization Record?

Go to the Patient Portal and click on "Immunization History" and print a copy! This saves you a trip to the Wellness Center to sign a release!!!

Uploading Information

The Wellness Center needs a hard copy of your Immunization record. How do you do it?

You can upload your records directly to the Patient Portal! Here's how:

- Access the Patient Portal either through your computer or your Smartphone;
- Take a picture of your document and upload it; or
- Scan your document and upload it.

NEW PATIENT PORTAL ARRIVES AT THE WELLNESS CENTER

You now have an easier way to access your personal health record through the Medicat system! You can access your health information through the Patient Portal using your computer or your Smartphone at <http://patient-cobleskill.medicatconnect.com>. The Patient Portal will allow you to:

- ☀ Receive secure messages from your provider
- ☀ Access your immunization records
- ☀ Access Educational information that was given to you during your visit
- ☀ Access test results

If you are already registered for On-line Student Health through Medicat, you can simply use your current user name and password.

If you have not registered yet, go to: <http://patient-cobleskill.medicatconnect.com> and follow the directions to register. Once you have registered, you will receive a link in your SUNY Cobleskill e-mail account that will prompt you to create and verify your new password. This will give you access to your Patient Portal account where your health and immunization information is submitted.

OMG!!! I got an Email from Medicat...what does it mean?

The Medicat system will send you an email with a link to the Patient Portal where you may find the following information if it pertains to you:

- Have you had recent tests done at the Wellness Center? If so, it could mean your test results are waiting for you in the Patient Portal.
- Have you scheduled an appointment? If so, it could be your reminder notice or you may have forms you need to fill out before your appointment.
- Were you seen in the emergency room recently? If so, you may have a request from one of the medical providers to make a follow-up appointment.
- Have you been referred to an off-campus medical provider or facility? If so, your appointment information is waiting for you in the Patient Portal.
- Have you ever completed and submitted an insurance waiver form? **Effective immediately**, SUNY Cobleskill is requiring all students to complete the waiver process annually.
- Have you completed your Health and Immunization requirements? Your secure message will indicate if your requirements are complete or if you still have requirements that you need to meet.
